

## **DPC Collective (DPCC) combines the benefits of Direct Primary Care with a Preventative Care Program and EAP solution.**

In addition to DPC, the program offers an array of health and wellness services and programs accessible to each employee through a personal health dashboard.

**Receive ALL Benefits  
of Direct Primary Care**

**Additional Health &  
Wellness Services Included**

**Tax Saving Benefits**

### **Adopting this program is simple.**

We assist you with payroll implementation, plan documents, and enrollment.  
Employees can be enrolled either in person or virtually.
